

Housekeeping

Check in is 3pm and check out is 10am.

Please do not try to enter the chalet before this time unless by prior agreement. This time is needed to do a thorough clean of the property before your stay.

Dogs

As much as we love our 4-legged friends we politely request that dogs are **NOT** left unattended in the property. This is a park rule, and any noisy dogs will be barred from the park by Tingdene- the site owners/managers.

Dogs must always be kept on a short lead so that they do not roam free on the park and all dog mess must be cleaned up- there are dog bins on site to dispose of poo bags.

Please do not let your dog on the beds or furniture.

If you have had your dogs on the beach, **please** wash their feet using a bowl and dry off before entering the chalet.

Bins

There are bins located around the park. Sadly, at the moment, the recycling is bottles only- see map for location of bins. We usually take all our other recycling home to dispose of in our own bins but there is a recycling centre a couple of minutes down the road when you've exited the park.

Please empty the bin as necessary and dispose of the rubbish in a nearby bin.

On departure we ask that the bins are emptied.

Doors

Please ensure that you lock both doors whenever you leave the property and that the key safe is closed and the combination scrambled on your departure.

Cleaning

There are some cleaning products in the chalet. There is an ironing board and iron should you require them. There is also an airer which you could use to dry beach towels, costumes etc on the veranda - please **do not** drape towels/clothing on the veranda fence.

Wifi

The wifi name is	Seabirds	Pebbles
Password	Chal3+90!	Pebbles144!

TV

The TV is a wall mounted 40" Freeview TV.

Games

We have a selection of board games, cards and dominoes for you to play with. Please could you make sure all parts of the games are returned to the correct boxes and put back in the games box. Please sanitise your hands before and after using them.

BBQ or Firepits

No BBQs or Firepits are allowed on the site.
